

Put the Kids on the Podium at the Tour of California

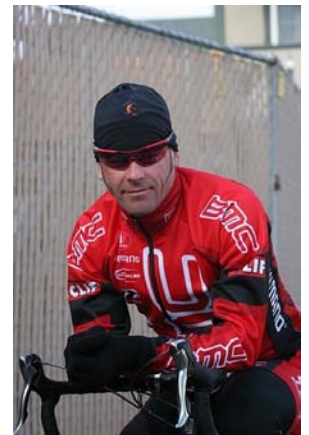

Help Michael 'Havoc' Sayers and the BMC Professional Cycling Team get more kids on bikes and racing in the NorCal High School Mountain Bike League. The Michael 'Havoc' Sayer Foundation provides race & camp vouchers for kids with financial difficulties.

Get involved with the BMC pro team and this year's Tour of California by pledging to support Michael at one of two levels. Everytime a BMC team member makes the podium (top 3 or 5 places) in four categories - reward their efforts with the donations amounts listed below.

The Tour of California begins in San Francisco on February 18th see a full schedule and stage details at www.tourofcalifornia.com.
