

PRESENTED BY

Put the Kids on the Podium at the Tour of California

Help Ryder Hesjedal and the HealthNet-Maxxis Team get more kids on bikes and racing in the NorCal High School Mountain Bike League. These funds will help provide League race & camp vouchers for kids with financial difficulties. www.teamhealthnet.com

Get involved with Team Health Net and this year's Tour of California by pledging to support Ryder at one of two levels. Everytime a HealthNet team member makes the podium (top 3 or 5 places) in four categories - reward their efforts with the donations amounts listed below.

The Tour of California begins in San Francisco on February 18th see a full schedule and stage details at www.tourofcalifornia.com.

More info about the League is available at www.norcalmtb.org

"My mountain bike has taken me a lot of places, both on the dirt and now on the road. Programs like the NorCal League are a great place for kids to start their journey."
