

Fun at the Fort

February 24th – South Conference

February 25th – North Conference

Sandy, twisty, and full of singletrack!

We've been racing at this special spot for over 10 years, and with good reason. East Garrison has a great mix of singletrack and double track with some wide fire roads, and provides super fun rolling hills, old oak tree forest, and twisty turns. We're sure riders of all abilities will enjoy the course and look forward to starting off the season with this race!

Neutral support is free mechanical assistance for any student athlete with an emergency. Brian Popplewell, Community Events Manager, provides this service. Spare parts are also available for sale at the neutral support tent. Student athletes are expected to come to each race with fully functional, race ready bicycle. Coaches and adults are not given priority at the neutral support tent. Mike's Bikes is a proud NorCal League sponsor, and it is our hope that you will choose to support them as well.
