Weather Policy

Sometimes weather affects whether or not we can hold a race at a venue. Luckily this course drains very well, so we'll be racing rain or shine! Check out the official weather policy on our website for more info.

Pre-Riding

NORTH CONFERENCE

(racing Saturday): The course will be open for the North Conference teams to pre-ride between 2-5:30 on Friday, and again between 7:00-8:30am on Saturday morning.

SOUTH CONFERENCE

(racing Sunday): The course will be open for South Conference teams to pre-ride between 3-5:30 on Saturday, and again between 7-8:30am on Sunday morning.

Please note that we close the course exactly at 8:30am on Saturday and Sunday, so if you plan to pre-ride on your race day, please give yourselves plenty of time.

Coaches' Meeting at 7:45am

Coaches, this is where you'll get info about the race day, such as risk management, race conditions, and anything else of importance to mention. Sometimes we have to make changes due to weather or other circumstances, so it's important you're at the meeting to keep your team and riders informed!

Do you know about poison oak?

You definitely want to know how to identify poison oak by the time you get to the race. Remember “leaves of three, let them be!” If you happen to touch some, wash the area off with Technu or with soapy water.

Bring your dog!

You are welcome to bring your furry friend to the race! Please keep them under control and on leash at all times, and be sure to clean up after they do their business.

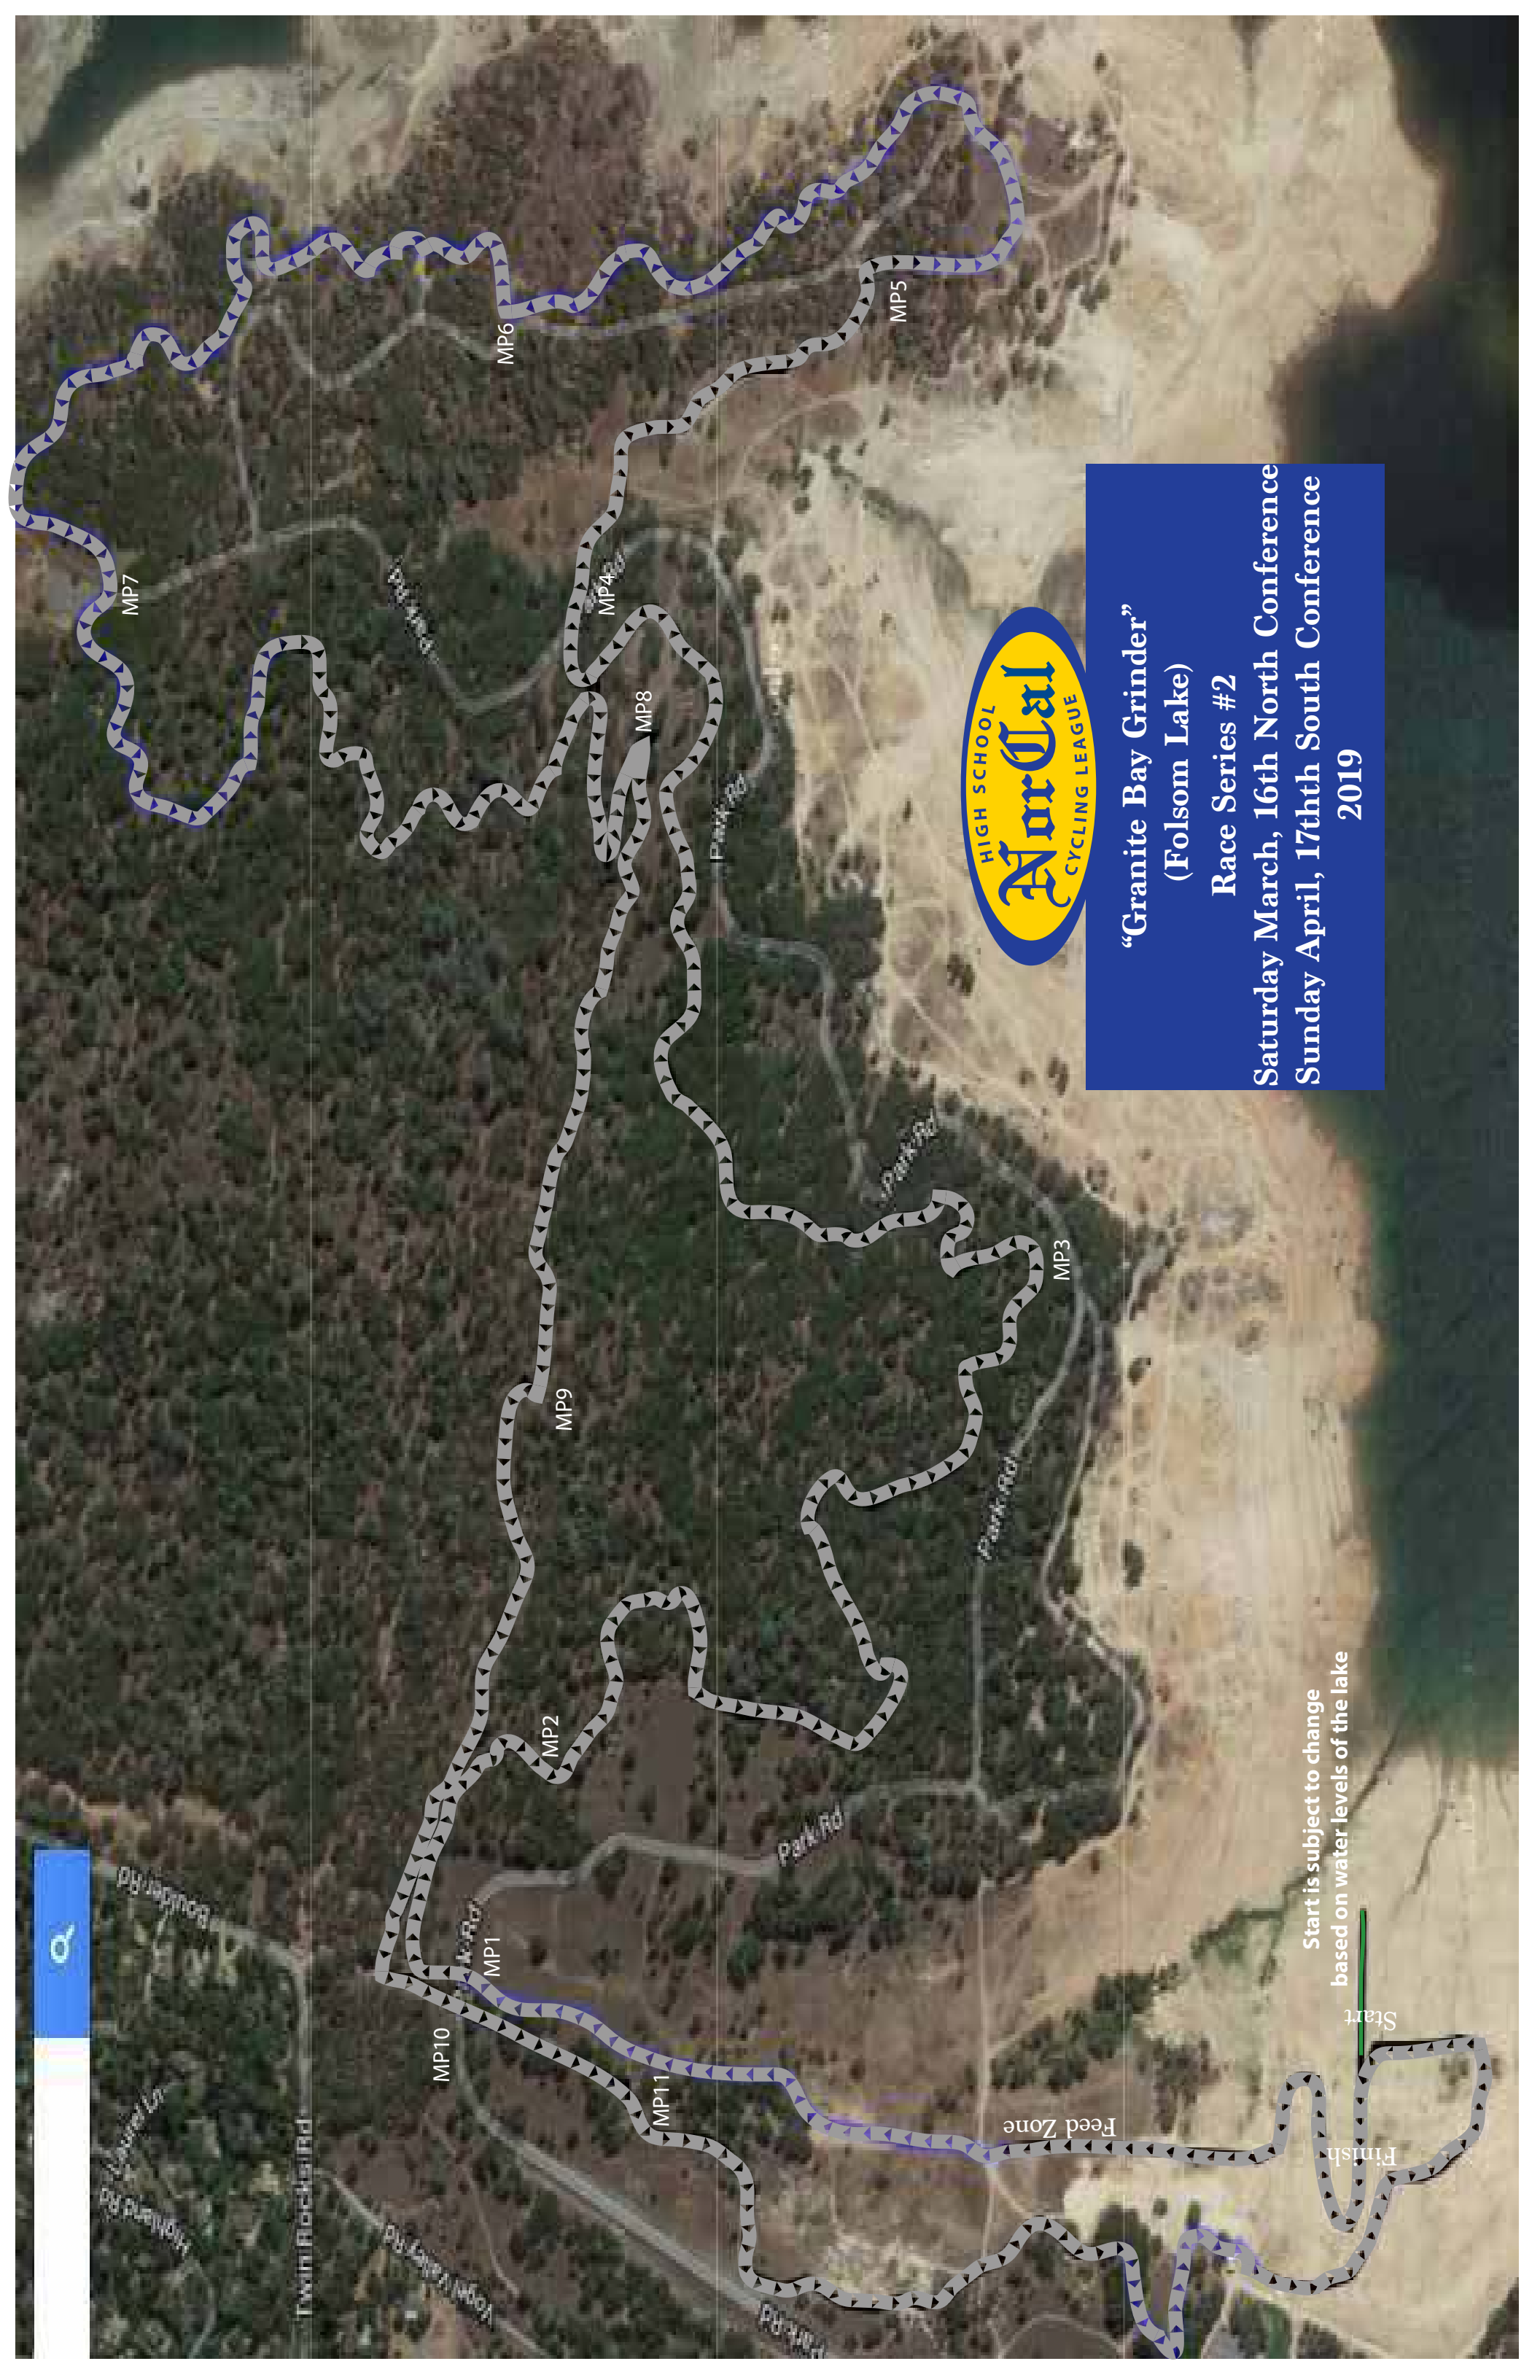

Neutral Support by Mike’s Bikes

Neutral support is free mechanical assistance for any student athlete with an emergency. Brian Popplewell, Community Events Manager, provides this service. Spare parts are also available for sale at the neutral support tent. Student athletes are expected to come to each race with fully functional, race ready bicycle. Coaches and adults are not given priority at the neutral support tent. Mike’s Bikes is a proud NorCal League sponsor, and it is our hope that you will choose to support them as well.

Volunteer

We’re always looking for a few extra hands at our races! Want to help set up the course on Friday afternoon, or lend some assistance with the Feed Zone, Course Marshaling, or Scoring on race day? We’d love to have your help and it’s a great opportunity to see a few different sides of how our races operate. Sign up here:
