APRIL 16 - HIGH SCHOOL  
EARTH DAY THEME

# What to know about Six Sigma

## Registration must be done online by Fri. Apr 7

Number plates can be picked up at the registration tent Friday-Sunday. Each student-athlete is assigned a number plate for the season, and is expected to use that same racing plate at each race. If you lose it, you can buy a replacement for \$20 at the merchandise tent. Coaches, parents and student-athletes can all pick up race plates. Replacement coach plates cost \$10. Please contact [jen@norcalmtb.org](mailto:jen@norcalmtb.org) with any registration questions.

## Volunteers - we always need your help!

Our races are made possible because of all of our volunteer support. Not only do you get to help the show go on, but you are helping your team secure a better pit location. The higher the percentage of volunteers on your team, the better the pit spot. [Sign-up online](#) by the registration close date to be counted for priority placement. If you sign up same day, your priority placement will not be changed, but you do help the race go on! Please review the [NICA Adult Code of Conduct](#).
