NorCal Interscholastic Cycling League Loaner Bike Agreement

Through the generosity of individual donors and some really great sponsors, the league has been able to build a small fleet of bikes, including some new Team Marin Bikes, to be used by high school student-athletes facing circumstances that prevent them from owning their own bikes.

Program overview and guidelines:

- The bikes are strictly intended to be used by student-athletes with financial challenges.

- Bikes will be distributed to team directors or head coaches on a first come first served basis.

- The head coach or team director are responsible for the bikes. HC/TD are to check the bikes out and agree to return the bikes in clean working condition at the end of the season.

- If there are broken parts or parts needing replacing - HC/TD are responsible for replacing - if the team does not have the means - it is imperative that they communicate this as well as the list of parts needing replacement

- Helmets are to be worn at all times while operating a loaner bike.

- Due to the limited number of loaner bikes, we would like to ensure that the riders who receive a bike commit to participation in **ALL** races for the season (excluding championships).

- Please email admin@norcalmtb.org with any questions.

Please initial all agreements below, noting that you understand and agree to loaner requirements.

___ I understand that loaner bikes are to be used by student-athletes demonstrating a financial need only.

___ I understand that all loaner bikes will be returned thoroughly cleaned and in working order.

___ I understand that all league-owned loaner bikes are to be returned to the NorCal League headquarters (401 7th St. Petaluma, CA 94952) within three weeks after the last race of the season.
